

The following are guidelines & limitations

- Coupons must be for products sold at Menards & must be presented at the time of purchase.
- Only one coupon per item. For example, you cannot use a manufacturer coupon & a Menard coupon on the same item.
- Item purchased must be identical to the coupon (size, quantity, brand, flavor, color, etc).
- Manufacturers' Coupons & Competitors' Coupons will be enforced per the individual coupon's rules & regulations. Example: Coupon states, "Limit one coupon per purchase." This means that one coupon can be accepted per item, not transaction.
- There is no limit on the number of coupons per transaction.
- All coupons must have an expiration date & be presented within the valid date. Expired coupons WILL NOT BE ACCEPTED.
- Coupon amount may be reduced if it exceeds the value of the item after other discounts or coupons are applied. We cannot give cash back if the face value of a coupon is greater than the purchase value of the item.
- All applicable sales taxes are paid by the Guest at the full value of the item.
- Any coupons stating, "Not valid with any other discount or offer" will not be valid with sale priced items.
- Menards reserves the right to accept or refuse coupons at its own discretion.
- Menards does not discriminate on pricing. We charge the same low price to all without regards to race, creed, age or occupation.
